ALL ABOUT ME

Hi! My name is Ms. Arielle and I am so excited to be your teacher this school year! I have worked at Carmel Valley Preschool a little over a year now. I realized my passion to work with kids after volunteering at my local church for several years in Kids Ministry, which led to pursuing a degree in Child and Family Development. I completed an Associates Degree at Grossmont College and I am currently in the process of attaining my Bachelor's Degree at San Diego State University. When I am not at school, I like taking care of my plants, creating content for the Kids Ministry, and spending time with my friends and family!

These amazing people are my parents and younger brother!
