

# Welcome CVPS families!

We are excited to welcome you to our 2021-2022 school year!

Please take a moment to review the information listed here and do not hesitate to reach out to us with any questions. We know that now, more than ever, deciding which school is the best for your child and family is a major decision and we feel honored you have picked us. The health, safety and overall well-being of your child is our top priority.

## Drop-off & Pick-up Times

Please be mindful of our drop-off and pick-up times.

Late arrivals may not be accommodated-please review the handbook for specific details and who to contact to arrange for late drop-offs in advance.

Late pick-ups are subject to the late pick-up fees and an excessive amount could lead to dismissal from our school.

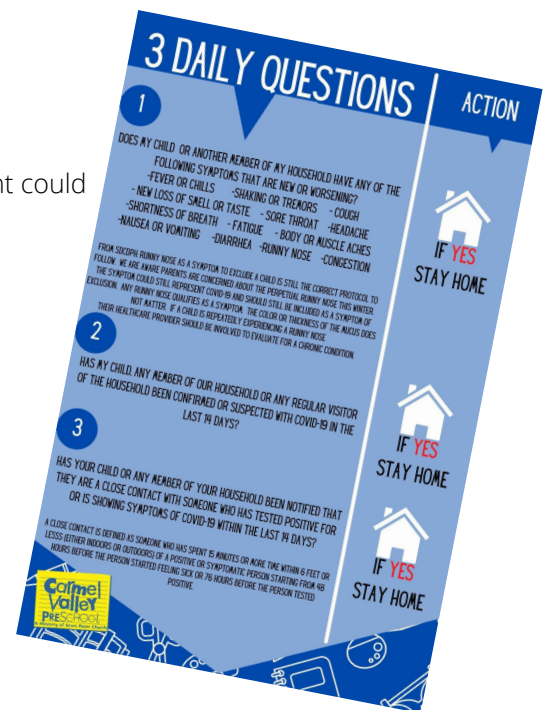

Pick-up times are as follows:

Half Day: 12:30p Full Day: 3:00p Extended Day: 5:30p

## Health & Safety Practices

(all practices are regardless of vaccination status)

- Families should use the 3 daily questions prior to arrival. Stay home if sick
- We are keeping stable groups of children as much as possible and no parents or visitors are allowed through our gates in an effort to limit exposure
- Masks are required on campus at drop off, pick-up and indoors. We cannot and will not force children to wear masks, but we will encourage them and assist them in wearing them properly.
- Frequent hand washing/sanitizing, regular temp checks
- Increased cleaning/disinfecting including ionizers in our HVAC system and an electrostatic spray system
- Increased classroom ventilation
- Strictly adhering to the COVID symptom flow chart created by DPH as well as all other mandates issued by CCL, California DPH, SD County DPH

If your child will be absent, please notify us ASAP-no matter the reason.

Please email or call and state any symptoms your child or household members are experiencing.

We will follow up with families if a child does not arrive as scheduled & we greatly appreciate your assistance in keeping us informed.
