other" 1 Thessalonians 5:15**

This week we will continue our bugs and butterflies theme with a fun bugs in a jar counting activity and on Wednesday we will watch a short video on the life cycle of a butterfly and hands on activity.

I still can't believe we only have less than 30 school days together in these next few weeks before Summer! We will continue to focus on mastering our letters and sounds, counting and working on short vowel words. I want to include a few sight words as well as a few critical thinking worksheets into our readiness for example: following directions, sizing, patterns, sequence and so much more! We have been learning so much together already!!!!

be
KIND
TO OTHERS.

This month's Christian Value Lessons our unit is Learning from Jesus and how Jesus teaches us to do good things for others! Our bible verse for this month is "Be kind to one another for this is right in the Lord" Ephesians 4:32

Have a blessed week!
